

# Oklahoma Judges Association

## April 2024 Newsletter

### Question of the month:

On Bronze beam how high must the free leg reach for a lever to receive value part credit?

Email your answers to [kelly072806@gmail.com](mailto:kelly072806@gmail.com)

We didn't have a winner for last month.

Question: What is the start value for a level 6 vault that does not touch their feet?

Answer: 10.0 Start value with a 1.0 flat deduction

## Canon Corner

### CANON 7:

Judges should be completely unbiased and strive to always be objective. They shall not retaliate against participants, meet personnel or volunteers.

### CANON 8:

Judges should always be respectful to all participants, meet personnel and volunteers in a competition.

## Congratulations!

\*Xcel Floor: Leap passage angle requirement must be met by a cross or side split LEAP. Split jump, straddle, jump or sissone do not meet the requirement, but can be used as the second skill in the special requirement.

\*Level 3 Vault DOES NOT have an angle of repulsion. the angle deduction is applied if the athlete comes onto the mat past vertical.
